Mission
Connect organizations, people, strategy, and processes to enrich the culture of Lone Star College by empowering its members.

Purpose
Cultivate partnerships that maximize employee and organizational development to ultimately support student success.

Vision
Be the Organizational Development leader in higher education.

Intentionality
Commit to LSC through an ever-evolving process for collaboration, accountability, open communication, integrity, and accessibility.

Discovery
 Inspire individuals at every level of LSC to realize their potential through passion, creativity, and positivity in learning.

Excellence
Ensure that we continue to pursue growth, improvement, and commitment to quality in all our work and partnerships.

Appreciation
Be the catalyst for leveraging the strengths and possibilities of individuals with an attitude of inclusion, respect, and gratitude.

Service
Nurture a network of professional relationships and processes that create an enriched and enduring value to one another and to our community.
