The District prohibits hazing. "Hazing" means any intentional, knowing or reckless act on or off campus directed against a student, by one person alone or acting with others, that endangers the mental or physical health or the safety of a student for the purpose of being initiated into, affiliating with, holding office in or maintaining membership in any organization whose members are or include other students. The term includes, but is not limited to:

1. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body or similar activity.
2. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
4. Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame or humiliation, or that adversely affects the mental health or dignity of the student or discourages the student from remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described above.
5. Any activity that induces, causes or requires the student to perform a duty or task that involves a violation of the Penal Code.

The following actions shall be included in the offense of hazing. Students who commit any of them violate District policy and are also subject to criminal prosecution:

1. Engaging in hazing.
2. Soliciting, encouraging, directing, aiding or attempting to aid another in hazing.
3. Intentionally, knowingly or recklessly permitting hazing to occur.
4. Having firsthand knowledge of the planning of a specific hazing incident involving a student, or firsthand knowledge that a specific hazing incident has occurred, and knowingly failing to report that knowledge in writing to the College President or designee.
