What are these?

Primordial follicle
What is this?
What are these?

Uterine tubes
What is this?

Corpus albicans
What are these?

Primordial follicles
What is this?

cervix
What are these (yellow part)?

secondary
Oocyte 23
What are these finger-like structures?

fimbriae
What is this capsule of granulosa cells?
What are these?

Primary follicle
What is this outer layer?

perimetrium
What is this?

Ovary
What is this?

Primary follicle
What is inside this follicle?
What are these?

Secondary follicles
What is this?
What are these?
What is this?

Uterine tube
What is this? cervix
What is #23?
What is this? Secondary follicle
What is this extracellular layer?
What are these?

Corpus luteum
What is this extracellular layer?

Zona pellucida
What are these?

Corpus albicans
What is this? Primary oocyte, 46
What is #24?
What is this? uterus
What is this? Corpus luteum
What is this surrounding capsule of cells?
What are these?

Secondary Follicles (early & late)
What are these?
