Second Floor

## Director's Corner

Welcome to the Lone Star College-CyFair Academic Success Center (ASC), where students take academic achievement to the next level. At the ASC, you will find peer/professional tutoring, language labs, open computer labs, academic peer coaching, and other services that provide the skills and strategies to help you excel.

In the Academic Success Center, this semester we served the following:

Academic Success Center Spring 2019	
Visitors	Visits
2849	10173

Please stop by to learn more. We're conveniently located in Learning Commons, on the second floor of the library. We're eager to hear from you and to discover new ways to help you reach the finish line.

Best Wishes,  
Rodrick Moore, Ph.D.  
Director

### The ASC Learning Signature Faculty Fellow

The Academic Success Center (ASC) is delighted to welcome Erika Stewart-Moore as the next Learning Signature Faculty Fellow. Erika has worked at LSC-CyFair for 5 years serving in various capacities including Adjunct Faculty, FT Instructor, Assistant Professor, and Associate Professor. She currently serves as an Associate Professor of Education. Erika brings a wealth of skills and experiences to her new role and will serve a one-year assignment for the 2019-2020 academic year. Her fellowship begins this spring with institutional service release to intern with the current Faculty Fellow and ASC team. We look forward to the leadership Erika will provide to the Learning Signature program.

### LEARNING SIGNATURE Moving to the ASC in Fall 2019!

Lone Star College-CyFair is committed to partner with students to develop a community of learners in every subject area. Our goal is to provide learning opportunities for students connected to real life experiences in-and-outside of the classroom. We call this commitment to students, our Learning Signature. The Learning Signature includes a host of programs offering real life learning opportunities, such as **Learning Communities/Learning Networks, International Education (International Studies and Study Abroad), and Service Learning.** To learn more about our Learning Signature, please visit our website: [LoneStar.edu/learning-signature-cf](http://LoneStar.edu/learning-signature-cf)

### Learning Signature Program Highlight

Sign up for a Fall 2019 Learning Community! A cool way to take two classes connected by an interesting topic! View a list of all Fall 2019 Learning Communities on our website:

[LoneStar.edu/thematic-LC](http://LoneStar.edu/thematic-LC).

## LABS

The LSC - CyFair Academic Success Center (ASC) Labs are a collaborative space for the LSCS staff, faculty and students currently enrolled to access, learn about, and use technology in support of the college's mission.

### ASC Open Lab (TECH-104)

Open to LSC-CyFair students currently enrolled, faculty, and staff for independent use, the ASC Open Lab in TECH-104 offers Mac and PC access with a number of specialty software programs, scanning, copying, & color and black laser printing to all holders of a valid LSC-CyFair ID card.

### ASC Open Lab (CASE - 104)

Our newest open lab on campus, the CASE-104 lab has most of the same software and services as TECH 104, but with fewer computers and more limited hours. CASE-104 is also open to all faculty, students currently enrolled, and staff with a valid LSC-CyFair ID card.

### Language Labs (LRNC 210 & LRNC-212)

Open to students and faculty enrolled in language classes only, the Lone Star College-CyFair Language Laboratories promote the benefits of learning other languages and facilitate the teaching, and maintenance of foreign language skills through the exploitation of technology.

Please visit, [LoneStar.edu/13669](http://LoneStar.edu/13669), for more information and Lab hours.

### MULTIMEDIA CENTER, LRNC 206

The Multimedia Center is a video production studio that enhances teaching and learning at LSC-CyFair, allowing faculty, students and staff to record video content without any technical expertise required. The Multimedia Center is located in Learning Commons building room 206 (LRNC 206), and is open to faculty, staff and currently enrolled students LSC-CyFair. All the user needs to bring with them is a flash drive to create a high quality video. The Multimedia Center is open 9:00am-4:00pm Monday through Friday and may be used by appointment ONLY. Simply, schedule a time by emailing [CF\\_Multimediacenter@lonestar.edu](mailto:CF_Multimediacenter@lonestar.edu). If you would like to schedule time after hours, contact Sabika Zahra at [Sabika.Zahra@lonestar.edu](mailto:Sabika.Zahra@lonestar.edu), at least 2 weeks in advance

### THE MATH AND SCIENCE CENTER

The Academic Success Center will be offering Math and Science tutoring during all our open hours this semester. We offer a variety of tutoring services for different subjects and will always have a tutor available to do college algebra. The science center will still be offering tutoring and models for the study of Anatomy and Physiology while the library is open.

## SUMMER HOURS

Monday- Thursday	10:30 AM - 5:30 PM
Friday	CLOSED
Saturday	10:30 AM - 2:30 PM
Sunday	CLOSED

We will offer tutoring for:

Math (all levels)	Science (all levels)
Accounting	Computer Science
Economics	Writing (all disciplines)

## THE WRITING CENTER

The Writing Center offers scheduled and online collaborative tutoring for writing assignments in any discipline. Also, specialized workshops on various topics are offered twice a week throughout the fall and spring semesters.

## BUSINESS, COMPUTER SCIENCE AND HUMANITIES AREAS

The Business and Humanities area provides knowledgeable, qualified tutors to help student understand the terminology, master the concepts and give them the support they need to successfully complete their classes. Also, it helps student develop the confidence they need to successfully complete their business, humanities, and computer courses!

## ASC PEER COACHING

Peer coaching offers one-to-one coaching in a wide range of subjects such as problem solving, goal setting, time management, prioritizing, study habits, finding campus resources, and other strategies for success. We are here to help students become better students; we empower you to be more independent and focused on your academic goals. We offer a safe and judgment-free space to ask questions, ask for clarification, and to learn from your mistakes. We don't do the thinking for you, but we're happy to guide you and support you as you find positive ways to overcome your challenges and obstacles.
