What type of cell is this? erythrocyte
What type of cell is this?
What type of cell is this? Neutrophil
What are these cell fragments?

platelets
What type of cell is this?

Monocyte
What type of cell is this?
What type of cell is this? basophil
What type of cell is this? eosinophils
What type of cell is this? neutrophil
What type of cell is this? Monocyte
What type of cell is this? lymphocyte
What are these fragments?

platelets
What type of cell is this?

Neutrophil
What type of cell is this?

Monocyte
What type of cell is this? basophil
What type of cell is this?

Erythrocyte
