What is this?

Epicardium

Visceral pericardium
What is this? Myocardium
What is this space?

Right Atrium
What is this?
What is this space?

Right ventricle
What are these flaps?

Pulmonary valve
What is this?

Epicardium

Visceral pericardium
What are these?

L & R Pulmonary arteries
What is this?

Pericardial cavity
What is this space?

Left ventricle
What is this?

smooth inner lining

endocardium
What are these?

L & R auricles
What valve is between the L ventricle and the big red artery?

Aortic Valve
What is this?

Mitral (bicuspid) valve
What is this? **Chordae tendineae**
What is this?

Endocardium
What is this? Aorta
What is this?

Fibrous pericardium
What is this?

Myocardium
What is this?

Right atrium
What is this?

**Mitrval (Bicuspid) valve**
What are these?

Pulmonary Veins R & L
What are these?

Chordae tendineae
What is this?

Superior Vena cava
Pulmonary trunk

What is this?
What is this? Inferior Vena cava
What is this space?

Left atrium
What valve is this? Tricuspid valve
What are these?

Papillary muscles
What is this?

Right auricle
What is this?

Pulmonary valve
What is this?
Pulmonary trunk
What is this? Left Ventricle
What is this?

Tricuspid valve
What is this? Left Atrium
What is this?

Right ventricle
What is this?

muscle @ base of chordae tendineae

Papillary muscle
What is this vein?

Superior Vena cava
What is this?

Left Auricle
What is this vein?

Inferior Vena Cava
What are these?

Chordae tendineae
What is this?

Pulmonary Arteries
L & R
What is this? 

Aorta
