  • First Summer Term begins.

“We are following recommendations from the Centers for Disease Control and Prevention and various local agencies,” said Head. “We will continue to provide additional updates to the LSC community as circumstances change.”

LSC encourages all employees and students to continue to adhere to the guidelines for preventing the contraction and spread of COVID-19 established by the Center for Disease Control and Prevention. This includes, but is not limited to, frequent washing of hands, using alcohol-based hand sanitizer, practicing social distancing, and seeking immediate medical care if one experiences any of the symptoms associated with COVID-19.

Lone Star College offers high-quality, low-cost academic transfer and career training education to 99,000 students each semester. LSC is training tomorrow’s workforce today and redefining the
community college experience to support student success. Stephen C. Head, Ph.D., serves as chancellor of LSC, the largest institution of higher education in the Houston area with an annual economic impact of nearly $3 billion. LSC consists of seven colleges, eight centers, two university centers, Lone Star Corporate College and LSC-Online. To learn more, visit LoneStar.edu.
