

FACILITY USE AGREEMENT

The Board of Trustees of the Lone Star College System (“LSCS” or “System”) recognizes that its member colleges were created to help meet the educational, cultural, and recreational needs of the community. Consistent with this philosophy is the System’s willingness to make available its facilities to community groups when such use does not interfere with the instructional mission of the institution and is consistent with the educational and community service of the System. Facilities are not available for unrestricted use for other purposes.
