ADDING OR UPDATING ADDRESSES AND PHONE NUMBERS
Name changes will have to take place on campus upon our return.

First:
Log into your MyLoneStar and click the Student tab.

Second:
Click the Profile tab.

Third:
Click Addresses for Change of Address and follow through. *Edit existing address, DO NOT add an address.*

Or to edit or add phone number or email, click on Contact Details.

Fourth:
If you changed your address, you will then have to do a Texas Residency Questionnaire immediately following. Go back to your Student tab.

Fifth:
Click on the Task box and click on Texas Residency Questionnaire and answer the 9 questions. *Remember, the 2nd to last question is asking “Which ISD (school district) do you live in?” This determines your tuition.*
