Meet The Lone Star College-Tomball Workforce Advising Team!

Anita M. Dann, MSL—Coordinator III, Workforce

Anita Mirobin Dann started her career at Lone star College as a Workforce Advisor II in May 2019. Prior to working as a Workforce Advisor, Anita served as an adjunct faculty member teaching English and Social Studies at Rio Salado College in Phoenix, AZ., from 2015 to 2017. Her career in higher education started in 2007, as a Student’s Admission Advisor. Since then, she has held various positions throughout the college system, that provided invaluable experience to help college’s and their perspective student’s, achieve operational success. Some of her achievements include Arizona Association of Lifelong Learning Rookie of the Year October 2017, Rio Salado College, Rising Adjunct Star August 2016, Nominee for World Class Customer Service Award - 2ND QTR 2009, Walk in my Shoes- Mentor, (Lean Six Model) Green Belt- Apex Initiative Committee member and certified project manager. She holds a Master’s degree in Educational Leadership from Grand Canyon University -Mag cum laude, and a Bachelor’s degree in Psychology. Anita enjoys spending time with her family outdoors and exploring their new home state of Texas.

Monica Matkin—Advisor II, Workforce

Monica started her career at Lone Star College as a Workforce Advisor II at LSC-Online in November 2016. She truly enjoyed helping the online students achieve their academic and workforce goals. Prior to working as a Workforce Advisor, Monica was a High School Counselor in Cypress-Fairbanks ISD. She served as an Academic Advisor and guided students on their graduation requirements and their educational plans. Monica also served as a CTE Counselor advising students on the career and technical education opportunities available to them. Working in higher education has been an awesome experience for Monica. Her goal is to help students be successful in achieving their educational and career goals. Monica holds a Master’s degree in School Counseling from St. Cloud State University and a Bachelor’s degree in Psychology from East Carolina University. While not working, Monica enjoys spending time with her family and friends.

Danielle Frideres—Advisor II, Workforce

Danielle began as a Workforce Advisor with Lone Star College in December 2019. She has spent the last ten years in higher education helping students reach their academic and professional goals through career services and advising. Danielle’s educational background is in communications and business, and she began her career in human resources and customer service management. Danielle believes strongly in the potential of community colleges to change lives and will never stop advocating for students who are working to change theirs.
