Houston, TX 77070

Description:
Designed to meet the oil and gas industry’s need for an educated and prepared workforce, Lone Star College is now offering an Oil and Gas Drilling / Floor-Hand (Roustabout) program. Courses are offered individually to meet specific needs or complete all 6 courses to earn a master certificate. Classroom and lab training provides entry-level knowledge and skills needed to work in the drilling and exploration sector of the oil and gas industry.

Courses Will Include:
- Introduction to Oil and Gas $330
- Introduction to Industrial Maintenance $993
- Basic Mechanical Skills for Energy $513
- Work Skills for the Workplace $104
- Drilling / Rig Floor Core Skills $833
- IADC RIG PASS® $147
- IADC WellCAP® Introduction $330

Complete Program Fee: $3,250
(An infrastructure fee of $20.00 will be applied once per semester / 3 WorkKeys tests with a total fee of $46.50 is required for program)
