LSC Foundation Mission

The primary mission of the Lone Star College Foundation is to raise money to support students, faculty and programs of the LSCS.

Establishing an Endowed Scholarship

The Foundation may establish endowments (named and planned) on behalf of contributors for the purpose of providing scholarships for students of the LSCS and for other purposes that are consistent with the mission of the Foundation. These endowed scholarships in the donor’s names are in perpetuity and presented annually.

- The donor will execute an endowment agreement with the Lone Star College Foundation to create a framework for the endowment.

- Initial contribution by a donor to a named endowment must equal or exceed $1,000.

- Contributions toward a named endowment of more than $1,000 and less than $15,000 will be denoted as a planned endowment. Donor has 7 years to complete the $15,000 commitment. If the endowment is not fully funded within 7 years, the total amount donated will be transferred to the Foundation Fund.

- A donor may contribute to an endowment through a variety of means, direct contributions, support for special events (actual costs associated with event participation will be deducted), memorials, honorariums, etc.

- Endowments may be named for private individuals, corporations and organizations, in memory or in honor of individuals.

- Endowments shall be designed as either with criteria (stipulations - demographics, college or colleges attended, academic standing, academic programs, etc.) or without criteria.

- Contributions should be made payable to the Lone Star College Foundation. The gift with the endowment agreement form should be mailed to:

  LSC Foundation
  5000 Research Forest Drive,
  The Woodlands, Texas 77381-4399

For additional information, please contact the LSC Foundation at 832.813.6637.
