Dear Health Care Professional,

One of your patients is a student at Lone Star College requesting a disability-based academic accommodation. Accommodations are made for qualified students with a disability in order for them to equally participate in all programs and services offered by the College to ensure compliance with all applicable disability laws. In order for the Disability Services Office to determine the student’s accommodation eligibility, we need your clinical assessment/diagnosis of the student. You may fax us a copy, but our records must include an original with your signature and business card. In addition to the form provided, you may provide supplemental information on your letterhead.

In order for the student to be certified as eligible, the documentation must show how the disability substantially limits one or more major life activities. Current and relevant information is required in order to determine the appropriate reasonable accommodation that may be offered to the student.

**All information should be completed by a medical provider qualified to diagnose and treat the student’s disability.**

Please provide the following:
- (a) A completed and signed Provider Verification packet for each disability and
- (b) Your business card stapled to each Provider Verification packet.

The information you provide will be kept confidential in accordance to the Family Education Rights and Privacy Act (FERPA) and may be released to the student upon written request for records.

If you have any questions regarding this form or opportunities for the student, please contact Disability Services at the information listed below. We may also contact you directly for supplemental information if necessary to make a determination.

Thank you for your assistance,

---

*The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. “Genetic information”, as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought of received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.*

To the Student: The form below the line must be completed by your medical provider who is qualified to diagnose and treat your disability. The Disability Services Office reserves the right to request additional documentation or contact your provider for additional information. If this form is completed by anyone other than a qualified licensed profession, the information will not be used to support your accommodation request. Inaccurate and incomplete documentation may hinder the College’s ability to accommodate you based on its policies and procedures.

Please sign the box below to give your medical provider authorization to release information to the Disability Services Office.

I, _______________________________, authorize my medical provider to release to Lone Star College’s Disability Services Office the medical information requested on this form for the purpose of determining appropriate accommodations for my disability while a student at Lone Star College.
