For Applicants: How to clear your Chrome browser cache

To delete all your data

Click the Chrome menu icon located on the browser toolbar in the top right hand corner of your screen.

Select **More Tools**.
Use the drop down menu to select the amount of data that you want to delete. Select **beginning of time** to delete everything.

In the dialog that appears, select the checkboxes for the types of information that you want to remove. Click **Clear browsing data**.
