Print a Copy of the Final Exam

1. Click on Quizzes under Assessments in the navbar in your course.

2. Locate the Exam that you’d like to print. Click the drop-down button next to its name, then click Preview.

3. In the next screen, click Start Quiz!

4. Click OK at the confirmation.

5. While the quiz is displayed, right-click in the white area of the screen where the questions are displayed. Choose This Frame, then choose Print Frame. Repeat for each page in the exam.
