CODE OF CONDUCT

One of the goals of the Nursing program is to assist the student in becoming a safe practitioner of professional nursing. The primary mission of the Texas Board of Nursing is to protect and promote the welfare of the people of Texas by assuring that professional nurses are competent and safe practitioners.

The Nursing Programs’ goal is fulfilled by holding the student accountable for safe mature behaviors and by establishing a code of ethics and conduct along with professional standards of behavior which will help the student in meeting the Texas Board’s expectation. The following code of conduct has been established to make the student aware of guidelines regarding the department’s expectations, which are in keeping with the general rules pertaining to disciplinary process and procedure found in the College Catalog and Nursing Student Handbook.

Infraction of the code of conduct whether it occurs in the classroom or any of the LSCS- sponsored activities including the clinical sites will result in disciplinary action. Discipline can range from written disciplinary action to removal from the program depending on the seriousness of the incident. Students should follow the chain of command: Instructor, Program Director, Dean, and Vice President. Reasons for disciplinary action may include but are NOT LIMITED TO:
