

How to Order/View Your Required Textbooks

Step 1: With a copy of your schedule (accessible via my.lonestar.edu), head to the bookstore website: www.lonestar.bncollege.com. Select your campus from the dropdown menu at the top. Then click on the textbooks tab.

Step 2: Using your schedule, input your course information. Then click on find materials!

The screenshot shows the 'FIND COURSE MATERIALS' form on the bookstore website. The form is titled 'FIND COURSE MATERIALS' and has a subtitle 'Add your courses to find everything you need for class.' Below the title is a dropdown menu for the campus, currently set to 'LONE STAR COLLEGE UNIVERSITY PARK'. The form contains a table with four columns: 'TERM', 'DEPARTMENT', 'COURSE', and 'SECTION'. There are four rows of input fields, each with a dropdown arrow and a close button (X). The first row is filled with 'SUMMER 2019', 'GOVT', '2305', and '6004'. The second row is filled with 'SUMMER 2019', 'ENGL', '1301', and '6303'. The third row is filled with 'SUMMER 2019', 'HIST', '1301', and '6012'. The fourth row is empty, with 'FALL 2019' in the term field and 'Select Department', 'Select Course', and 'Select Section' in the other fields. Below the table is a link 'Add More Courses >>>'. At the bottom of the form is a dropdown menu for 'SELECT ANOTHER CAMPUS' and a red button labeled 'FIND MATERIALS FOR 3 COURSES'.

Step 3: View Required/Recommended Textbook information for your class. You can continue by selecting the format you prefer. There are New, Used, Rental New, Rental Used, and digital options available for many titles! You may also come across a course where the bookstore has not yet received information from the school. If you would like to order that book as soon as it becomes available you can pre-order for the course. Once you've selected your preferences, you can click add to cart!
