Please note that only one registration is allowed per company.

Email addresses for receiving notices must be kept up to date to prevent correspondence and notifications from being sent to an “inactive” email.

Once you have created your User ID, it cannot be changed. All users associated with your company will need to log in using the same User ID and password so it is important to keep this in mind when setting up your registration.

****It is highly recommended that you use all or part of your company name as your User ID.

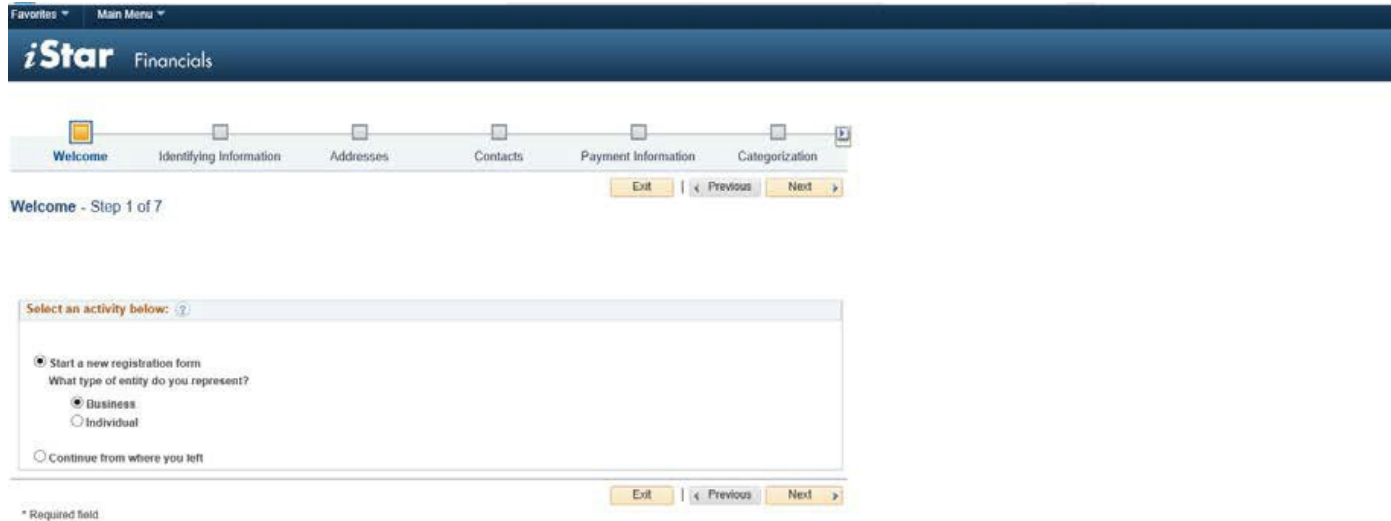

Example: company name is ABC Company. User ID: ABCCOMPANY

Once a user ID is created and saved it cannot be changed.

TIPS FOR CREATING YOUR USER ID:

- Use all CAPS
- Do not use more than 10 characters when creating your User ID
- Do not use spaces
- All alpha, no numbers or special characters such as < ; ! * % \$ # ()
- No e-mail address (cannot use an email address as a user ID)
- It is highly recommended that you do not use an individuals' name

Setting up your Supplier Registration

The screenshot shows the iStar Financials web application interface. At the top, there is a navigation bar with "Favorites" and "Main Menu" dropdowns, and the "iStar Financials" logo. Below this is a breadcrumb trail with tabs for "Welcome", "Identifying Information", "Addresses", "Contacts", "Payment Information", and "Categorization". The "Welcome" tab is active, and the page title is "Welcome - Step 1 of 7". A "Select an activity below:" section contains three radio button options: "Start a new registration form" (selected), "Continue from where you left", and "What type of entity do you represent?" (with sub-options "Business" and "Individual"). Navigation buttons for "Exit", "Previous", and "Next" are visible at the bottom of the form area. A small asterisk and the text "* Required field" are located at the bottom left of the page.

Step 6: Categorization: **If you do not select your categories you will not receive bid invitations and bid notifications electronically.**

- Select the categories that relate to the types of services or goods your company provides.

| Category | Description |
|----------|---------------------------|
| 52500-2 | 2 - LIBRARY EQUIP >1K <5K |
| 52500-1 | 1 - LIBRARY EQUIPMENT <1K |
| 52500-3 | 3 - LIBRARY EQUIPMENT >5K |

****Note: Please allow the system time to update each selection before clicking on the next category.**

Helpful Hint: You can use the Find feature (hold down the Ctrl + F key at the same time) to assist with locating categories that may pertain to your type of business. You will need to repeat this step after each Category is selected or write down the list of Category numbers, then begin selecting them.

Example: If your company provides various types of printing services, you can click Ctrl + F and type PRINT and all categories containing the word PRINT will be highlighted in yellow. At that point you can either note each category number and go back to select each one, or select the first highlighted category and repeat the steps: click Ctrl + F and type PRINT until all categories relating to printing have been selected.
