**LSC 2021 Student Success Agenda**

**LSC Student Success Vision:** All Lone Star College students will have a clear path, with the support they need, to complete a credential or successfully transfer to a senior institution within 2 years for first-time, full-time students or within 4 years for first-time, part-time students, completing with 3 or fewer excess credits.

**Approach:** The primary strategy for achieving this vision is the effective, multi-year implementation of a collaboration of system-wide student success efforts reinforced with comprehensive enrollment management (EM) strategies, all aimed to increase recruitment, enrollment, and retention by improving operational processes.

</table>
| - Increase fall headcount by 2% by 2021. | - 100% of degree-seeking FTIC students have declared a specific program by the end of the second term. | - Increase % FTIC students completing the following in their first year:  
  - 15+ college-level credits  
  - College-level Math and English  
  - 9+ credits in program | - Complete 12,595 annual credentials (certificates or degrees) in AY 2024-2025.  
  - Increase % of associate degree graduates completing with no more than 3 hours in excess of their degree plan. | - TBD |
| **Strategies** | | | | |
| - Assess the co-requisite implementation and registration process to identify opportunities to streamline. | - Make program plans available in a student-friendly format via the LSC website. | - Develop an assessment plan for keeping students on track to complete on time with as few excess credits as possible. Annual report should include transfer rates, time/credits to degree, and graduation rates. | - Streamline reverse transfer and auto-award processes.  
- Assess and consider expansion of the Promise Scholarship.  
- Develop an assessment strategy for the Student Success Institute.  
- Create a strategic action plan for equity through recruitment and retention. | - Ensure the LSC transfer website information regarding transfer to/from top transfer partners are clear for students.  
- Define and track transfer success.  
- Connect job placement and career services supports to student program plans.  
- Identify tools and assessment strategies to measure success after credential completion. |
| - Review payment plan processes to identify any improvement strategies. | - Evaluate the mandatory New Student Orientation registration conversion rates and implement strategies to improve. | - Develop strategies to drive student completion full time on a part time schedule. | - Continuously monitor the LSC early alert system for potential improvements in business process and usability.  
- Fully utilize the case management advising model to ensure efficiency.  
- Capitalize on existing technologies to improve student recruitment/retention. | - Ensure the LSC transfer website information regarding transfer to/from top transfer partners are clear for students.  
- Define and track transfer success.  
- Connect job placement and career services supports to student program plans.  
- Identify tools and assessment strategies to measure success after credential completion. |
| - Collaborate with faculty to identify campus specific re-enrollment strategies. | - Continue to monitor the Program Enrollment implementation to support guided student registration. | - Continuously monitor the LSC early alert system for potential improvements in business process and usability.  
- Fully utilize the case management advising model to ensure efficiency.  
- Capitalize on existing technologies to improve student recruitment/retention. | - Ensure the LSC transfer website information regarding transfer to/from top transfer partners are clear for students.  
- Define and track transfer success.
