Symphony Orchestra (String)
The Symphony Orchestra is a string orchestra, consisting of violins, violas, cellos, and basses. Only a year old, the string orchestra has played challenging and rewarding repertoire from both classical and popular traditions. An audition, either in person or video, with conductor Dr. Rob Hunt, Professor of Music Lone Star College-Kingwood is required. The class/rehearsal will be on Monday, 4:00-6:30 p.m. at the Lone Star College-Kingwood campus in the Music Building, Room MUS 118. Contact Robert.E.Hunt@lonestar.edu to schedule an audition.

Chamber Singers (Eclectic Voices of Kingwood)
The Chamber Singers (Eclectic Voices of Kingwood) is an advanced select chamber choir which performs madrigals, vocal Jazz, classical chamber music and sophisticated American Popular music arrangements. Dr. Todd Miller, Professor of Music at Lone Star College-Kingwood, is the instructor. The class meets on Tuesday and Thursday at 1:30-2:55 p.m. at the Lone Star College-Kingwood Campus in the Music Building, Room MUS 117. An audition is required! Contact Todd.R.Miller@lonestar.edu to schedule an audition. (KC)

Symphony Orchestra (Kingwood Pops)
This full symphony orchestra is known in the community as the Kingwood Pops. Now in its 27th year, the Pops has built a reputation for artistry and fine programming from film music, light classical symphonic music, Broadway, Patriotic, and pop styles. An audition, either in person or video, with conductor Dr. Rob Hunt, Professor of Music Lone Star College-Kingwood is required. In-person auditions are planned for Thursday, from 7-9 p.m. at the Lone Star College-Kingwood campus in the Music Building, Room MUS 118. Rehearsals are scheduled on Thursday evenings. Contact Robert.E.Hunt@lonestar.edu to schedule an audition. (KC)

More Games for ALL!
Enjoy a variety of new GAMES on North Harris campus this spring. More Games for ALL is held on Tuesdays at 3:00 p.m. in the Community Education Building. Lenora Rastatter will lead ALL members in game play. Your ideas for games to be played are welcomed. Join us for MORE fun for ALL! (NH)

Stepping Out
Join ALL members as we walk around the campus and nearby neighborhoods. Fresh air, exercise, and good friends - it doesn’t get any better than this! There are two starting times, 8am and 9am. The 8am group will walk longer, and maybe faster, while the 9am group does a more casual stroll. You are welcome to attend either one or both. Class will meet outside the Conference Center every Tue morning. Keep an eye on your email for any changes. Keep an eye on the blog for any changes for meeting place or time.

OWLS Older Women’s Legacy Stories: Writing Circle
OWLS is a women’s writing class designated to help women recall and write stories from their lives. Writing prompts will be given to the women each week and while sharing is encouraged, it is not required. Topics include everything from favorite family stories to the choices we made that shape our lives. We would love to have you join us at North Harris on Wednesdays in February! (NH)

Changes to Schedule by Category

CULINARY ARTS, FOOD & COOKING

There is Nothing Like A Knish! (Title/Description/Date/Time / Update Your Calendar)
A knish is a traditional Ashkenazi Jewish snack, appetizer, or side dish, similar to a samosa or an empanada. It is a piece of dough stuffed with potato, kasha, meat, or vegetables that is baked. We will make several different kinds during this ONLINE class. (UP)
14711  T 2/1   1-3 p.m.    Online      Gibbon

FUN, HOBBIES & RECREATION

Trivial Pursuit at LSC-Tomball (Date / Update Your Calendar)
Trivial Pursuit is a classic American board game in which progress is determined by a player’s (in our rules, a team’s) ability to answer general knowledge and popular culture questions. Categories include People & Places, History, Science & Nature, Arts & Entertainment, Sports & Leisure & a Wild Card category. Bring your thinking caps and enjoy the fun of this famous and addictive game with your game host, Rick Taylor. (TC)
15009  M  2/7-5/16   10 a.m.-12 p.m.   E177    Taylor

Beginning Bridge (Day / Update Your Calendar)
Learn the fundamentals of the exciting card game of bridge with Richard Shepherd. You will learn the methods and reasoning of bidding, as well as card play. Whether you are a beginner or just want to refresh your play, come join us for a great time. (KC)
15080  TH 2/3-4/28  2-4 p.m.   APA 100  Shepherd

Let’s Learn Mah Jongg (Date/Date/Description / Update Your Calendar)
This online class is for beginners. You can be the Master or Mistress of Mah Jongg in one week! Classes will focus on the history of the game, learning the tiles, understanding the card, making hands, and learning the American rules, strategies, and sequence of play. Please commit to all five classes so you have consistency, continuity, and “cement” in your learning. You must have a 2021 National Mah Jongg League card before the class begins. You can order the card directly from www.nationalmahjonggleague.org. Allow at least two weeks for delivery of your card since it will be coming from NYC. Learn the fundamentals of Mah Jongg online with Donna Gibbon and Alicia Eissler. (UP)
14715  M-F  2/7-2/11  10-11:30 a.m.   Online      Gibbon/Eissler

HEALTH, FITNESS & NUTRITION

Hypertension: Its Significance, Management and Prevention (Online / Update Your Calendar)
Dr. Adams will discuss the importance of hypertension along with its management, both medical and non-medical, and its prevention. (TC)
15043  T  1/25  1-3 p.m.   Online        H. Adams

HISTORY

U.S. Army’s Occupation of Germany after World War II (Class Nbr / Update Your Calendar)  
This is an amazing story of recovery and reconciliation of former enemies. Thanks to U.S. resolve and leadership, Germany was able to rejoin the community of nations and now look at Germany! Our presenter, Paul Harris, is a professor of political science at Auburn University with a research specialization in post-World War II Germany. He is currently working on a book-length project examining the U.S. Army Occupation of Germany between 1945-1949 and the Office of Military Government, United States (OMGUS). He has made a special trip to Houston to present this program for members of the Academy for Lifelong Learning system wide. Please Note: The class will be held at the Lone Star College-System Office, 5000 Research Forest Drive, The Woodlands, in the Community Building Star Ballroom. (KC)

MOVIES, MUSIC & THEATER

Mountain Dulcimer (Category Error 3006000 / Update Your Calendar)  
Join JoEllen Winslow to learn the basics, from tuning to strumming. Discover how easy it is to play the dulcimer using tablature. You do not have to know how to read music. Bring your dulcimer, a tuner if you have one, and a binder to hold music, come and enjoy your instrument. Class meets every Wednesday (no class 3/16).

POLITICAL & COMMUNITY AFFAIRS

Fuss and Discuss (Class Nbr / Update Your Calendar)  
It’s always something. Join us in our eighth semester for a casual, civil conversation around topics for that week, something in the news, or whatever you may want to discuss. Open mindedness required for a fun, lively conversation. Facilitated by ALL member Victor Ward. Class meets nine times 1/21, 2/4, 2/18, 3/4, 3/18, 4/1, 4/15, 4/29, and 5/13. (UP)

READING & WRITING

LSC-Kingwood Book Club (Date / Update Your Calendar)  
The LSC-Kingwood Book Club meets on the third Tuesday of each month to discuss books of common interest. The February book title is Caste: Origins of our Discontent by Isabel Wilson. The March book title is Never Let Me Go by Kazuo Ishiguro. The April book title is The Lincoln Conspiracy by Brad Meltzer. John Ginste will be the group facilitator. (KC)
The Race for Arctic Domination *(Date / Update Your Calendar)*
Climate change is causing the Arctic polar ice cap to recede, creating new shipping lanes, and allowing access to immense oil and natural gas reserves as well as many other mineral resources. A number of nations are currently positioning themselves to be dominant players in this scenario and raising grave concerns from environmental groups who fear an ecological catastrophe will ensue as a result. Join longtime ALL member and instructor Rick Taylor as we examine this timely and controversial topic. (TC)

15046  W  2/2  10 a.m.-12 p.m.  E 177  Taylor
