

ACADEMY FOR LIFELONG LEARNING

A Learning Community For Adults 50+

Social Activities | Personal Growth | Interesting Seminars | Skills Development

The Academy for Lifelong Learning (ALL) is a membership community that enriches the lives of senior adults by providing stimulating classes, seminars, social activities, skills development and opportunities for personal growth. One of the fastest-growing trends in America is for seniors to move near colleges and universities to take advantage of low-cost artistic and cultural activities.

ALL memberships exist at each Lone Star College campus and are available for an affordable annual fee. No prior education is required. No grades are given. No tests or textbooks required. This is learning for the enjoyment of learning.

ALL member benefits include:

- Free or low-cost lectures, workshops and seminars
- Day trips to local nature and historical sites
- Access to select college fitness centers
- Advance notice of art shows with artist receptions; discount pricing on plays, concerts and musicals
- 20 percent discount (if age 60 or above) on some community education courses
- Access to college libraries and computer labs
- Campus photo ID cards

In addition to attending any number of classes and activities that interest you, making new friends and committing to a lifetime of learning, members of the Academy for Lifelong Learning are also able to participate by becoming a volunteer instructor or committee member.

Volunteer Instructor: What better way to share your enthusiasm and expertise in subjects important to you than becoming an ALL volunteer instructor? You have a lifetime of knowledge to share – whether it's simple principles of accounting for the average person or the basics of watercolor painting. Becoming a volunteer instructor allows you to teach others about what is near and dear to your heart, all in a safe and fun environment. An ALL staff member can give you more details about becoming a volunteer instructor.

Committee Member: The ALL program staff members need input from knowledgeable members to help make decisions about course selection, scheduling and marketing. As a volunteer committee member, you'll be able to do that and more. Your life experience is important and can be helpful in ensuring the success of the ALL program and promoting ALL within the community. Contact an ALL staff member about committee opportunities.
