LONE STAR COLLEGE

Lone Star Corporate College is ready to help Houston get back to work with state-of-the-art online training for people looking for a new career or simply to improve their job skills.

Lone Star Corporate College works closely with employers and employees to develop customizable online programs based on their individual needs and can offer free instructional design consulting if you have 10 or more employees in one customized course.

LSC is no stranger to distance learning increasing online classes from 1,624 to 6,825 since the COVID-19 pandemic began. LSC is also developing protocols that follow Centers for Disease Control and Prevention guidelines for classes that still require lab instruction to ensure that students train safely and quickly.
