LONE STAR COLLEGE-CYFAIR

2020 DIAGNOSTIC MEDICAL SONOGRAPHY PROGRAM APPLICATION

NOTIFICATION OF PENDING PROGRAM CHANGES

Applicant: complete form and turn in with application packet.

The Diagnostic Medical Sonography Program is in process for approvals for curriculum changes which may result in a change from four to five semesters for both General Sonography and Echocardiography to include vascular sonography effective for Fall 2020. Please monitor the DMS website, http://www.lonestar.edu/diagnostic-medi-sonography.htm frequently for any updates as the timeline for approvals is currently to be determined.

I understand that there may be curriculum changes effective Fall 2020.
