Conditions of the Award (Please initial each statement)

_____ I certify that the statements herein are true to the best of my knowledge and grant my permission for the information contained herein to be shared with the Scholarship Committee and Administrators; I release to Lone Star College System the right to access all my current and ongoing personal and academic records and transcripts. If awarded a scholarship, I understand that I must meet the scholarship criteria of the Science Technology Engineering and Mathematics (STEM) Program. I understand my name and information from my academic history may be released to the Scholarship Committee and the Scholarship Administrator.

_____ If awarded a scholarship, I release to Lone Star College System the right to arrange a meeting with the Donor(s) and use my name, story, and picture for printed and video materials, reports, and press releases, without compensation. I also recognize the need of communicating a letter of thanks to the Donor of the scholarship. I understand that the scholarship funds will not be placed on my account until an acceptable thank you letter is received by my Scholarship Department. I also understand that I must attend any Scholarship Ceremony/ Reception that may be held during the fall or spring of the academic award year.

LSCS Financial Aid Satisfactory Academic Progress Policy

All LSCS- STEM aid applicants must meet three Satisfactory Academic Progress (SAP) requirements, prescribed by federal regulation, to receive financial aid. Those SAP requirements include:

1. maintaining at least a cumulative 2.0* grade point average,
2. completing successfully 70% of cumulative credits attempted, **
3. earning a degree or certificate within 150% of the published length in credit hours of the declared program of study.

To qualify for aid a financial aid recipient must maintain satisfactory academic progress, i.e., "Meets SAP". Failure to meet satisfactory academic progress will result in ineligibility for aid, i.e., "Not Meet SAP", except that there is one term of eligibility when placed on "Warning". If extenuating circumstances result in failure to meet SAP after one term of Warning, an [appeal process](#) is provided. An appeal must include an academic plan. If the appeal is approved, future terms of aid eligibility are contingent on satisfactorily performing the work required in the academic plan. During those terms, a financial aid recipient is placed on "Probation" and aid eligible. If aid eligibility is suspended at any time, i.e., "Not Meet SAP", aid eligibility can be reinstated by meeting the SAP requirements.

*3.0 for T-STEM scholarship

**80% for T-STEM scholarship

[Download the Standards of Academic Progress \(SAP\) Policy](#)

Effective August 29, 2011

Lone Star College System's (LSCS) policy is designed to encourage students to achieve their academic goals and graduate.

Student Certification

I have read the LSCS Financial Aid Satisfactory Academic Progress Policy and understand that any violation of this policy may suspend my ability to receive an award from the Lone Star College System.
