The Board of Trustees revised Section V.F. Student Discipline for Academic Misconduct Policy of the Lone Star College Policy Manual. The notice and comment period for the policy was open to the public from **May 25, 2021** to **June 25, 2021**. The policy was posted for public comment at [http://www.lonestar.edu/proposed-policies.htm](http://www.lonestar.edu/proposed-policies.htm). Commenters could anonymously submit comments to [LSC-PolicyFeedback@lonestar.edu](mailto:LSC-PolicyFeedback@lonestar.edu). We received two policy comments.

**Comment 1:** One commenter asked how a specific fact scenario would be addressed under the revised policy.

**Response 1:** The Office of the General Counsel does not address hypothetical scenarios. Fact specific circumstances are better addressed at the time of the event. More details on how certain situations may be handled can be found in the Chancellor's procedures.

**Comment 2:** One commenter suggested that the following sentence be rewritten: "The College upholds the academic core values of learning: honesty, respect, fairness, and accountability especially when its students fall short of those expectations." The commenter proposed the following revision: "The College upholds the academic core values of learning: honesty, respect, fairness, and accountability. Students falling short of those expectations will face serious consequences."

**Response 2:** This portion of the Policy is not under review at this time. Further, the proposed modification would change the original sentence’s meaning.
