**Speaker Bio**

Dr. Jennifer Goode is currently a Policy Analyst at the U.S. Census Bureau in Washington, D.C. Goode has a Ph.D. in Sociology. Prior to the Census Bureau, she taught at Notre Dame of Maryland and Howard University. Her research blends her interest in social structural influences and social psychological processes. Goode’s interest in issues of race is prominent in her research, with particular interest in racial disproportionality and disparity in various social systems and the relative contribution of individual and systemic factors. Her most recent publications include, Oates, G., and Goode, J., Racial Differences in Effects of Religiosity and Mastery on Psychological Distress: Evidence from National Longitudinal Data in *Society and Mental Health* March 2013 3: 40-58; and Jipguep-Akhtar, M.C., Harrison, R.J., and Goode, J., Trajectories of Substance Use: Academic Performance and Graduation Differentials among African American, Hispanic, and White Secondary School Students, in *Drug Use Trajectories among Minority Youth*, Y.F. Thomas and L.N. Price (eds) Springer 2013.
