

**LONE STAR COLLEGE
ASSOCIATE DEGREE NURSING
PROGRAM LEARNING OUTCOMES (PLO)**

At the completion of the Associate Degree Nursing Program at LSC, the graduate will demonstrate competencies in the roles of member of the profession, provider of patient-centered care, patient safety advocate, and member of the health care team:

Member of the Profession

1. Demonstrate accountability and responsibility for the delivery of care within the ethical and legal scope of practice, professional standards and best practice.
2. Manage information using technology to support decision making to improve patient care.
3. Demonstrate responsibility for continued competence in nursing practice and develop insight through reflection, self-analysis and self-directed learning.

Provider of Patient Centered Care

4. Provide safe, compassionate, comprehensive, individualized patient-centered nursing care, based on the nursing process and evidence-based practice, to culturally diverse patients and families across the life span and wellness-illness continuum.
5. Develop, implement and evaluate teaching plans to address health promotion, maintenance and restoration.

Patient Safety Advocate

6. Advocate for the provision of safe quality health care for patients and their families.

Member of the Health Care Team

7. Coordinate human information and material resources in providing care for patients and their families.

Approved by LSC Curriculum Committee: 2/8/2017
