

	Lone Star College-Montgomery Associate Degree Nursing Program – Transition Track	Application Year: 2020-2021	Updated: 7/23/2020
---	---	--	-------------------------------------

Steps to PREPARE for Transition Track Nursing Program Application

Step	Finished	Please read each step carefully, and check off when it is completed.		
1.	<input type="checkbox"/>	Enroll in Lone Star College System. If you have not taken classes at a LSCS campus within the last year, you must apply to the college, or update your application at www.lonestar.edu/admissions . If you need assistance with the application process please visit Admissions in Building C.		
2.	<input type="checkbox"/>	Evidence of math proficiency is required <i>PRIOR</i> to application to the program. A student must have <i>either</i> : completed MATH 0310 (or an approved higher-level math class) with a minimum grade of “C” OR tested out of (above the level of) MATH 0310 on an approved placement test. If you need assistance, please visit Admissions in Building C.		
3.	<input type="checkbox"/>	Submit official copies of all college transcripts to the Admissions Office at Lone Star College-Montgomery for the purpose of evaluation. Transcript evaluation can take 2-3 weeks. If you have previously submitted transcripts to a Lone Star College campus, please verify on myLoneStar, or with an advisor that your transcripts have been evaluated. Applicants who have attended high school and/or college in another country must have their transcripts evaluated and converted to U.S. credits by an approved outside agency. See www.naces.org/members.htm .		
4.	<input type="checkbox"/>	Complete with a “C” or higher, ALL of the following REQUIRED pre-requisite classes: a) BIOL 2401 (Anatomy & Physiology I) – Must be completed within five (5) years b) ENGL 1301 (Composition & Rhetoric I) c) RNSG 1301 (Pharmacology) – Must be completed within five (5) years		
5.	<input type="checkbox"/>	If any of the required BIOL courses are beyond the 5 year limit, you must successfully complete ONE of the following: <ul style="list-style-type: none"> • Retake the course with a minimum grade of C • Take BIOL 2404 with a minimum grade of C to refresh both BIOL 2401 & BIOL 2402 • Take a Continuing Education refresher course for the course that is out of date 		
6.	<input type="checkbox"/>	Additional courses which MAY BE TAKEN in advance, but are NOT REQUIRED for the program and that will apply to the Transition Nursing Degree Plan:		
		<table border="0" style="width: 100%;"> <tr> <td data-bbox="219 693 868 745">a. BIOL 2420 Medical Microbiology – (Must be <i>less than 5 years</i> old at the time of the application deadline).</td> <td data-bbox="868 693 1534 745">b. BIOL 2402 Anatomy & Physiology II – (Must be <i>less than 5 years</i> old at the time of the application deadline).</td> </tr> <tr> <td data-bbox="219 745 868 798">c. PSYC 2301 General Psychology</td> <td data-bbox="868 745 1534 798">d. ELECTIVE Humanities/Fine Arts – (Must be taken from approved list).</td> </tr> </table>	a. BIOL 2420 Medical Microbiology – (Must be <i>less than 5 years</i> old at the time of the application deadline).	b. BIOL 2402 Anatomy & Physiology II – (Must be <i>less than 5 years</i> old at the time of the application deadline).
a. BIOL 2420 Medical Microbiology – (Must be <i>less than 5 years</i> old at the time of the application deadline).	b. BIOL 2402 Anatomy & Physiology II – (Must be <i>less than 5 years</i> old at the time of the application deadline).			
c. PSYC 2301 General Psychology	d. ELECTIVE Humanities/Fine Arts – (Must be taken from approved list).			
7.	<input type="checkbox"/>	A cumulative GPA in high school and/or college of at least 2.0 is required. If a student has completed more than 24 semester hours of college courses, only the college GPA will be considered. Lone Star College System requires a minimum 2.0 GPA to be eligible to apply.		
8.	<input type="checkbox"/>	Complete the HESI exam AT LEAST ONE WEEK PRIOR to the application deadline. In order to take the HESI exam, print the TESTING TICKET from the Prospective Nursing Student section of the webpage http://www.lonestar.edu/nursing-dept-montgomery.htm or pick one up in office B-120. Follow the directions on the testing ticket. <ul style="list-style-type: none"> • PLEASE NOTE: The HESI exam includes the following sections, and all sections of this exam must be taken at the same time: <ol style="list-style-type: none"> 1. Reading Comprehension 2. Grammar 3. Vocabulary/General Knowledge of the English Language 4. Math 5. Anatomy and Physiology 6. Critical Thinking • Applicant MUST have a minimum score of 80 on EACH of the first 5 sections of the HESI exam listed above in order to apply. • Application: Applicant must score a minimum score of 750 on the Critical Thinking section in order to be eligible to apply. • HESI exam may be taken every 60 days. However, only the most <i>recent</i> exam scores will be used on the application.

ASSOCIATE DEGREE NURSING: TRANSITION TRACK

All courses accepted into the Professional Nursing Program must be completed with a grade of "C" or higher. ALL required Biology courses must be taken no more than five (5) years prior to admission to the nursing program.

	Category	Explanation	Possible Points	Official Score														
1.	Average of grades in two (2) pre-requisite courses: (Minimum GPA required: 2.7) a. BIOL 2401 _____ (OR BIOL 2402 _____ if taken) (Only the higher grade of the 2 can be used for score: do NOT average BIOL scores.) b. ENGL 1301 _____ c. RNSG 1301 _____ *Please note, ONLY BIOL 2401, RNSG 1301, and ENGL 1301 are required to apply. However if a student has taken both BIOL 2401 & BIOL 2402, then the higher grade of the two will be used in the calculation of points.	The average of one Biology course and English requires a minimum 2.7 GPA at the time of application. Calculate the average GPA of the highest BIOL and ENGL. Only grades of C or better can be used to meet any Nursing requirements.	4															
2.	<table border="1"> <thead> <tr> <th align="center">HESI Test Results</th> <th align="center">Score</th> </tr> </thead> <tbody> <tr> <td>Reading Comprehension</td> <td></td> </tr> <tr> <td>Grammar</td> <td></td> </tr> <tr> <td>Vocabulary/General Knowledge Score</td> <td></td> </tr> <tr> <td>Math</td> <td></td> </tr> <tr> <td>Anatomy & Physiology</td> <td></td> </tr> <tr> <td>Note: A Minimum score of 80 on each section is required to submit an application.</td> <td align="center">Total Points</td> </tr> </tbody> </table>	HESI Test Results	Score	Reading Comprehension		Grammar		Vocabulary/General Knowledge Score		Math		Anatomy & Physiology		Note: A Minimum score of 80 on each section is required to submit an application.	Total Points	Average of 5 scores _____ Divide the average by 25 = points for category score. Students are required to take the Critical Thinking section of the HESI. Applicant must have a minimum score of 750 on the Critical Thinking section in order to be eligible to apply.	4

Additional Information about the Transition Track Nursing Program:

- Prepare for the HESI exam. There are a series of slideshows designed to review students for the HESI English sections available for review in the Reading/Language Lab located in G-104. In addition, a study guide is available. Four copies of this study guide are on reserve at the Lone Star College-Montgomery Library. You may also order your own study guide a <http://www.us.elsevierhealth.com/basic-science/admission-assessment-exam-review-paperback/9781455703333/>

Transition Track Nursing Program Hours:

Estimated class hours during the Transition Track Nursing Program are:	
Classroom Days will generally begin at 8:00 a.m.	Clinical Days will generally begin at 6:30 a.m.
Mon. – Fri., daytime hours should be reserved for school. Most clinical and classroom days conclude by 5:00 p.m. However, there may be clinical exceptions to this, especially if the student is assigned to a 12-hour clinical day (one day a week, rather than two days each week).
