

THE PUENTE PROGRAM-NATIONAL MODEL FOR STUDENT SUCCESS

Lone Star College-North Harris is launching the Puente Program in fall 2019. Puente is a nationally recognized, academic program designed to help students adjust to college life and prepare for transfer to a four-year university.

The program has three major components: accelerated writing instruction, advising and mentoring. Students have their own classes, their own counselor, and every semester, students are matched with professionals from the community who can provide them with knowledge and guidance about education, careers, and life. Puente provides its students with a strong academic foundation, essential for success at LSC-North Harris and four-year universities.

Puente is co-sponsored by the University of California at Berkley.

BENEFITS FOR STUDENTS

Enhance reading and writing skills

- Meet with professionals in our community
- Learn strategies for college success and life
- Create a successful university transfer plan
- Participate in culturally enriched activities
- Receive priority registration
- Engage in hands-on active learning

ELIGIBILITY AND REQUIREMENTS

The Puente Program is open to students who are:

- Planning to transfer to a four-year university.
- Eligible to enroll in college English and math courses for the fall semester.
- Able to commit to program requirements.
- Able to be full time students (enrolled in 12 credits or more).
