- CHOOSE > **SUBJECT** (ALGEBRA 1314, BIOLOGY 2401, WRITING)
- CLICK > **SCHEDULE** > LOCATE TUTOR FROM MENU
- **LIKE THE TUTOR?** CONTINUE TO SCHEDULE FUTURE APPOINTMENTS WITH THEM.

The screenshot displays the Brainfuse HelpNow interface. At the top, there are logos for Brainfuse HelpNow and Lone Star College Online, along with navigation links (Home, Expert Help, Academic Tools, Collaboration Tools) and user information (Jennifer). A search bar is present with the text "What subject or class can we help you with? Try 'Algebra'...". Below the search bar are three main service cards: "Live Help" (with a red arrow pointing to the "Select Topic" dropdown), "Tutor Match" (with a red arrow pointing to the "Select Subject" dropdown), and "Writing Lab". Below these are sections for "Academic Tools" (SkillSurfer, eParachute, FlashBulb, Language Lab) and "Collaboration Tools" (MEET, Brainwave).
