This is how to access your ONLINE appointment. If you have an appointment on campus, please follow the instructions given in your confirmation email.

1. About five or ten minutes before your appointment, log back into WCOnline. It is strongly recommended that you use Google Chrome browser. Return to the service schedule where you made your appointment.

2. Find your appointment and click on it. Your appointment will show up in yellow.

3. After you click your appointment, a pop up will appear with your appointment information. Click “Start or Join Online Consultation.”

* About your appointment! *

Come prepared with questions or agenda items to go over during your appointment. Appointment times vary per service and space is limited, so you will want to make the most of your time.

If you do not join your appointment within the first 10 minutes of the starting time, you will forfeit your timeslot.

For WRITING TUTORING, it is required that you attach your assignment instructions and a copy of the essay you want the tutor to review.
