Lone Star College Employees,

The Office of Human Resources (OHR) is committed to helping our part-time employees by recognizing who they are and who they can become. We are here for you and have developed resources to help our part-time employees during this time. This message is also being sent to full-time employees because now, more than ever, it is important to stay connected and share information. If you supervise or work with a part-time employee, we encourage you to share this resource with them.

Given the dynamic nature of the situation involving COVID-19, OHR Recruiting is assisting current and recently separated* part-time employees in finding part-time work outside of LSC.

*as of March 16, 2020

The following resources are available to impacted individuals:

- Resume review: If you would like your resume reviewed by a Recruiter, please send your resume to Recruit@lonestar.edu. We will respond within 3 business days.
- Interview preparation resources
- Organizations hiring part-time employees
- Weekly Employer Spotlight, and
- Employment resources for Veterans (coming soon!)

You can find out more about all of these on the [Part-Time Employee Resources webpage](#). We will continue to update this site with current information. Remember, our [Virtual HR](#) site is updated often with important employee resources, and you can follow us on [Facebook](#), [Twitter](#), and [Instagram](#), and [YouTube](#)!

Together, we will get through this!
