## Director's Corner

Welcome to the Lone Star College-CyFair Academic Success Center (ASC), where students take academic achievement to the next level. The Academic Success Center is here for you! We will be happy to assist you in accessing our services remotely! We want to continue to help you to be successful in your courses.

Best Wishes,  
Rodrick Moore, Ph.D.  
Director

In the Academic Success Center, we served the following:

Academic Success Center Spring 2020

## Online Tutoring Services

Online Tutoring Services are part of our Academic Success Center. All tutoring services at LSC-CyFair are absolutely FREE for students enrolled at Lone Star College! If you have any questions, email them to [cyfair.asc@lonestar.edu](mailto:cyfair.asc@lonestar.edu).

We will offer tutoring for:  
Math (all levels) Science (all levels)  
Accounting Computer Science  
Writing (all disciplines) Economics

## Students have several options:

- Option 1: Brainfuse Tutor Match
- Option 2: WebEx Tutor Session
- Option 3: WebEx Live Meeting Room
- Option 4: Writing Center Email Paper Review
- Option 5: Brainfuse Live Help

**Option 1: Brainfuse Tutor Match**  
Brainfuse Tutor Match provides students the ability to schedule a live online tutoring session with a Lone Star College tutor for assistance in their course. Through Tutor Match, students will connect with tutors using the Brainfuse Whiteboard.

## Option 2: WebEx Tutor Session

Student can choose to schedule an appointment with an LSC-CyFair tutor using WebEx Video Communication System. A WebEx tutoring session will be very similar to a face-to-face session, except the session is conducted through WebEx.

## Option 3: WebEx Live Meeting Rooms

The Live Meeting Room will be open for quick tutor questions using WebEx. A WebEx Live Meeting Room will be very similar to a face-to-face Group Session, except the session is conducted through WebEx.

## Option 4: Writing Center Email Paper Review

The purpose of a paper review is to assist students with basic grammar, thesis statement development, organization, and critical thinking. Tutors will not proofread/edit papers and will not change the voice or tone of the student's paper.

## Option 5: Brainfuse Live Help

If you were in an online course prior to spring break, you have access to Brainfuse online tutoring services through the Lone Star College Virtual Learning Assistance Center (VLAC). Please click on this link to find out more information: <https://vlac.lonestar.edu/help/a366?>
