Motivate Action Step - Participate in Local Politics

Local elections are just as important as the Presidential election. Take advantage of opportunities such as volunteering for a local campaign, attending a virtual local political event, or even watching a local candidate debate. You can repeat this action as many times as you want. To complete this action you must do one of the following for a state/city/county election: watch a local debate, volunteer for a local campaign, or attend a virtual political event for a local campaign. The following is just a short list of suggestions on how to get involved in local politics.

• **Attend/Watch a Local Debate or Forum** (click here for calendar of events in TX)

• **Volunteer with a State/Local Chapter of your Political Party** (click here for a list of websites)

• **Volunteer for a State/Local Candidate Campaign** (click here to find out who is on your ballot)

• **Attend a City Council Meeting** (you will need to google your city council for more information)

• **Become a Volunteer Deputy Registrar**: Volunteer Deputy Registrars are entrusted with the responsibility of officially registering voters in the State of Texas. Appointments are made on a county-by-county basis only, not statewide. The acceptance of duties of a volunteer deputy registrar places you in a position of trust and responsibility to the citizens you will register to vote. For more information visit:

• **Become a Poll Worker**: If you have ever voted in person, you probably already know that a majority of folks who work at the polling places are retired and are at higher risk for experiencing severe complications from COVID-19. If you are someone who is not at high risk, think about applying to become a poll worker.

  • **Requirements to work as a Poll Worker**: In Texas, at a minimum, to be eligible for appointment as a pollworker/election clerk a person must be a U.S citizen and a qualified voter of the territory of the election.

  • **Apply to be a Poll Worker in Walker County**
